

## KOALA GENOME SURVEY – OPEN ACCESS NON-COMMERCIAL USE LICENCE

By ticking this box or by downloading any Dataset from this library, You agree to be bound by the Terms and Conditions of this licence for Your use of the Koala Genome Survey data and associated information (**Dataset**).

**Background** – The Koala Genome Survey dataset is managed by the University of Sydney (**We/Us/Our**) on behalf of the many organisations and individuals who have contributed samples (**Sample Provider**) and with funding and support from the NSW Government, the Australian Government, Illumina, Ramaciotti Centre for Genomics and Amazon Web Services Open Data Sets Program (**Supporters**).

**You/Your** means the individual, entity or organisation accessing the Dataset.

**Party/Parties** mean you and us.

### Terms and Conditions

**Access** - We use reasonable endeavours to maintain access to the Dataset and may, from time-to-time terminate or restrict access to the Dataset.

**Compliance:** You must ensure that you use the Dataset only in accordance with these Terms and Conditions and in compliance with all applicable laws.

**Permitted Use:** On behalf of the Sample Providers, we grant You a non-exclusive, worldwide, royalty-free, non-sublicensable, non-transferable licence to copy, extract and use all or part of the Dataset for Your internal non-commercial purpose (including but not limited to research, study, analysis, policy development) (**Authorised Purpose**). Authorised Purpose includes the right to adapt, translate, modify, and incorporate into another dataset (**Adaptation**). For clarity, industry sponsored research is an Authorised Purpose provided there are no rights granted to third parties to use the Dataset or an Adaptation or a product that incorporates all or part of the Dataset or Adaptation for commercial purposes.

**Restrictions:** You may not, in relation to the Dataset or Adaptions:

- (a) use them for Commercial Use;
- (b) share or disclose them to any other person other than Your employees who reasonably require access to them for the Authorised Purpose; or
- (c) create or allow the creation of any lien, charge or mortgage over them.

**Commercial Use:** If You wish to use all or part of the Dataset or Adaptation for any Commercial Use You must first contact the relevant Sample Provider identified on each subset of the Dataset to obtain a separate licence.

**Commercial Use** includes any monetary compensation or other valuable consideration You receive for use or access to the Dataset or Adaptation or any product or process that contains all or part of the Dataset or Adaptation.

**Ownership:** Nothing in this licence transfers any ownership in the Dataset to you, including all or part of a Dataset contained in an Adaptation.

**Publication:** You may publish the results of the Authorised Purpose if it does not include the Dataset or Adaptations itself. To help inform the value of the Dataset, we ask that you please send us details of any publications arising from Your use of the Dataset to: [soles.wildlife-genomics@sydney.edu.au](mailto:soles.wildlife-genomics@sydney.edu.au).

**Acknowledgement:** When You publish any results or discuss the Dataset or Adaptations in public You agree to use the Acknowledgement provided below:

*This data was produced as part of the Koala Genome Survey with funding from the NSW Government and the Australian Government's Bushfire Recovery for Wildlife and their Habitats program (GA-2000526), further support was provided by The University of Sydney, Amazon Web Services Open Data Sets, Ramaciotti Centre for Genomics and Illumina. The data was derived from samples provided by [insert name of Sample Provider/s OR all Sample Providers listed on the survey website.]*

**Disclaimer:** You acknowledge and agree that You accept sole responsibility and liability for Your use of the Dataset and Adaptations, and You use the Dataset and Adaptations at Your own risk. To the extent permitted by law, You waive any claim against Us, each Sample Provider and Supporter in respect of your access and use of the Dataset and Adaptations.

The Dataset is provided to you “as is”. We do not guarantee that the Dataset is free from errors, defects, viruses or other contamination which may corrupt or damage software, equipment or data and, to the extent permitted by law, We exclude all warranties as to the suitability, accuracy, quality or reliability of the Dataset, its fitness for purpose or that it will not infringe the rights of others.

**Limitation of Liability:** To the maximum extent permitted by law, We and our Sample Providers and Supporters accept no liability for any loss or damage You (or any other person) suffer because of Your use of the Dataset or Adaptations including any direct, special, indirect, consequential losses, costs or damages.

**Use of Our name:** You must not use the University of Sydney’s name or logo or the names or logos of any Sample Provider or Supporter without the relevant organisation’s prior written permission other than as set out above (**Acknowledgement**).

**Termination:** If You breach a term of this licence, this licence terminates automatically. If the breach can and is remedied within 30 days of the breach occurring, this licence is automatically reinstated. If this licence is terminated and not reinstated, You must immediately stop using any Dataset and Adaptations.

**General:** This licence may only be amended with Our written agreement. To the extent that this licence is inconsistent with any other agreement between the parties this licence prevails. Other than for urgent interlocutory relief, prior to commencing litigation, the parties will attempt to resolve any dispute arising under this licence in good faith. Nothing contained or implied in this licence is intended to create a partnership between any of the parties or, establish any of the parties as an agent or representative of any other party. No party has any authority to bind any other party, or to act for, or to incur any obligation or assume any responsibility on behalf of, any other party in any way. This licence is governed by the laws of New South Wales and the parties submit to the exclusive jurisdiction of the courts of NSW South Wales.

**Interpretation:** Unless the contrary intention appears, in this licence, references to person or individuals include that person’s successors, administrators, executors and assignees; and a firm, a body corporate, a partnership, a joint venture, an unincorporated body or association, or any government agency; a reference to a party includes, where appropriate, that party’s officers, employees or agents and, a reference to any law includes any amendment to, or replacement of, it.
